### **Fukang Polished and Etched Slice – An Unparalleled Space Gem Showpiece**

*Fukang, Xinjiang Uygur, China*

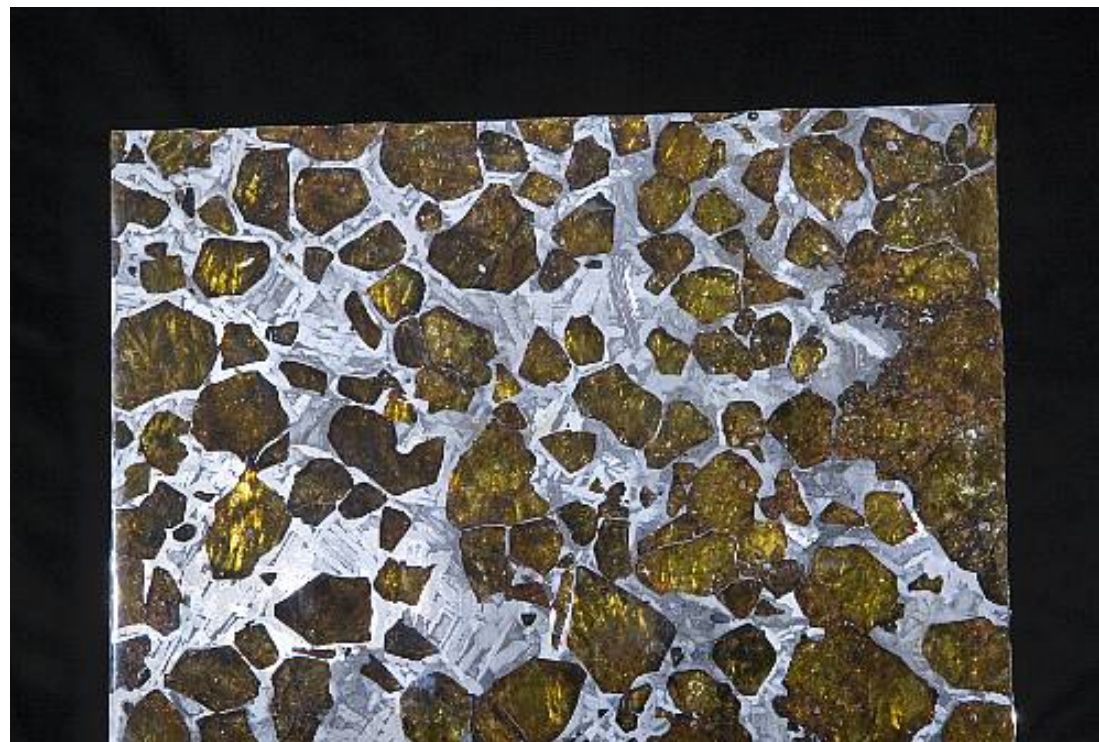

Polished and etched on both sides, this slice is from the main mass of the famed Fukang meteorite. Approximately 5mm thick, the matchless slice is of astounding quality. Virtually every crystal is gem quality olivine. The light passing through its spectacular crystals provides a vision of Fukang's unearthly mosaic of space gems. This piece is truly a reflection of the beauty of the cosmos. Please refer to lot 942 for more information.

*Measures 8 x 6 ½in and weighing 950 grams*

**Sold for \$22,500 plus Premium and tax**
